July 2018

## AMENDMENT TO UNIFORM REQUIREMENT FOR STUDENTS IN YEARS 7-10 (ACADEMIC YEAR 2018-19)

Dear Parents and Carers

The end of what we feel has been a really exciting and positive academic year for our students is approaching. We hope you have enjoyed reading our re-designed newsletters which clearly reflect the fantastic work, activities and events our young people are involved in.

You will also be aware that our uniform requirement now states that parents should buy school trousers and skirts that match the school uniform guidelines. These items must now be sourced from our uniform supplier. The sizing events that took place in school earlier in June provided by My School Shop, the online retailer of school uniform, were very successful. To reiterate, **only the trousers and skirts are new items and therefore students should continue to wear their existing ties and jumpers from September 2018.**

The final date for online and telephone orders to My School Shop that will be guaranteed to arrive before the start of term is **15<sup>th</sup> August.**

**For the academic year 2018-19 we will not expect students in Year 11 (current Year 10 students) to change their uniform - they may continue to wear appropriate skirts and trousers without the logo.** In 2019-20 the new uniform requirement will be rolled out to all year groups.

Further information can be found in a previous letter sent by Mrs Potter on our website in the letters section.

We wish all our students a relaxing and enjoyable summer break and look forward to seeing them in September when we will also welcome a New Year 7 cohort and a significant number of new students transferring from other schools.

Yours Faithfully

Steve Speakman  
Assistant Headteacher
