- (a) Jewellery is not allowed, except one pair of studs for pierced ears. No other piercings or the wearing of retainers is permitted.
- (b) Hair should be of a single, natural tone. Two-tone hair styles are not acceptable.
- (c) Personal music devices and mobile phones have to be switched off and out of sight during lessons and inside the school building at all times. Students may listen to music devices or use mobile phones **outside** during break and lunchtime.
- (d) Light make-up is acceptable.

Full uniform should be worn on the way to School and on the way home from School also.

In all cases, the School reserves the right to determine what is and what is not acceptable, in terms of uniform.

I am sure you will appreciate the importance of school uniform and dressing smartly in accordance with a set of rules (which will prepare students well for similar demands in the workplace in future years), and I thank you in advance for your support with this.
