

Homework Timetable

Year 7

To simplify the homework timetable, each subject is given a homework frequency (e.g. 1 per week etc). Subjects taught in half years have a suggested day for homework to be set. This may alter slightly depending on the particular sequence of lessons but as a general rule regular homework will be set by the guidance provided. The other subjects will set homework according to when each class has the lesson as per the guidelines in week 1 or in week 2.

Some subjects (Art, Technology) may set tasks which are to be done over a period of time. The deadline for completion should be noted in the planner and some time set aside for completion of this task in this time leading up to the deadline. This is true of other subjects and parents should note that extended tasks do need noting in the planner through the time scale of the project.

Students should be set between 2 and 4 hours of homework per week.

Maths 1 – 2 homework tasks per week.

English 1 – 2 homework tasks per week.

Science 1- 2 homework tasks per week.

Week 1, History / Technology / RS – 1 homework task per fortnight.

Week 2, Classics / RS – 1 homework task per fortnight.

French / German – 1 homework tasks per subject, per week.

Music / Art / Drama / Dance / PE/ ICT – Practical Subjects set homework as appropriate.

East	Week 1		Week 2
Monday	English	Monday	
Tuesday		Tuesday	Maths
Wednesday		Wednesday	English
Thursday	Maths, English	Thursday	Maths
Friday		Friday	

West	Week 1	West	Week 2
Monday		Monday	Maths
Tuesday	Maths, English	Tuesday	
Wednesday		Wednesday	Maths
Thursday		Thursday	
Friday		Friday	English
